

Math 6

Mrs. Whitford, Room C-2

Course Description:

This course is designed to further students math knowledge. The main topics to be covered in this course are: Factors & Area, Positive Rational Numbers, Decimals & Volume, Expressions, Equations, Graphing Quantitative Relationships, Moving Beyond Positive Quantities, and Describing Variability of Quantities. We will be using the textbook, computer program and projects to further your student's knowledge.

Staying knowledgeable of your progress:

There are many resources for you and your student to use to know how they are currently doing in class. Our online gradebook, **Aeries**, can be accessed at any time and is a great way to see missing work and scores for any assignment. **MySchool** can be used to find a copy of the daily notes and any lost worksheets. **Email** is a great way to communicate with me (jwhitford@carmelunified.org). A link can be found on Aeries for any teacher. I can also be reached by voicemail, ext. 3632.

Classroom Rules and Expectations:

1. Be in the right place at the right time
2. Always show courtesy and respect for everyone
3. Avoid disrupting the learning process
4. Respect all property
5. No Food, Drinks or Gum

BOTTOM LINE: All students have a right to learn in a quiet, comfortable environment. Make sure your behavior allows this to happen.

Materials:

Required:

1. Pack of Pencils (or Lead) a Trimester
2. One 1 1/2" binder for math only
3. Four dividers/tabs for your binder
4. Lined Paper

Recommended:

1. Highlighter
2. Colored Pen
3. Extra Eraser
