**HOW DO I SEND MY OFFICIAL SCORES...?**

*Only you have access to official ACT, SAT, and AP exam scores. Complete the steps below to send official score reports.*

- **STEP 1:** Login to ACT or SAT website
- **STEP2:** Click the “SEND MY SCORES” link and follow the steps

**SENT YOUR SCORES BUT YOUR ACCOUNT SHOWS THEY'RE STILL MISSING...?**

*Schools process thousands of applications and tens of thousands of application documents; there's often a lag between when a school receives official scores and when your account gets updated.*

- **STEP 1:** Confirm you sent the official scores by logging in to your ACT/SAT online account (the most important thing is to be able to document the date/time you requested official scores be sent via the ACT/SAT website(s).
- **STEP 2:** Call the Admissions Office **directly** (more often than not, they'll tell you it's taking time and to wait)
- **STEP 3:** Wait. If you've done the above 2 steps the next thing to do is to wait. You can also try calling ACT/SAT **directly** to discuss having your scores resent.
